The Dy Commr observes that the Temple has valuable inam lands yielding an income of Rs 600/ and more, & that the Archak has the management of the Temple and its endowments without being responsible to any body. With a view to regulate the management of the institn, he has sanctioned a scale of expenditure providing for the Archak's pay and also the appointment of Dharmadarsis to supervise the affairs of the institn. He has not granted the pujari's prayer to make over the lands to him or to his mother and to give the current year's produce.

Against the foregoing order, Chamaveriah has appealed to Govt. The grounds for appeal are summarized in the petition. The apelt prays that on a perusal of the records, the lands may be restored to him, that and that pending orders of Govt., he may not be dispossessed of the lands and their current year's produce

He adds that he is ready and willing to furnish security in case the land and the produce are given over to his possession.

May a report with records be called for from the Dy. Commr. orders solicited.

Submd. A report with records may be called for. The case seems to be such as will necessitate an order to be passed for holding the Dy Comrs order appealed against in abeyance pending the disposal of the appeal preferred. May this be done?

Muzrol Appeal No. of 1914-15

Appellant:- Chennaveerichson of Archk Veeranna minor guardian by his mother Dyavamma residing at Hadya, Yedatore Talul.

This is an appeal against the order of the --- Deputy Commissioner of Mysore passed on 24-2-1915 directing to resume the land &c of Hadya Veerabhadraswamy Temple.

The grounds of appeal are:--

1. The original inam grant to the temple was only --. k. k. p.
2 - 4 - 15 of dry lands assessed at Rs.18-0-[illegible], Al along the appellant's family people were performing the puje of the temple at their own personal risk and labour, in the entire absence of any other --- kind of pecuniary aid from Government. It may be remarked here that the annual income from the land was about Rs.50/- which could not even cover one portion of the expenses of the temple.

2. After survey and settlement full [illegible] Rs. 24-7-0 was levied on the inam lands in question.

3. The appellant's family people have paid [illegible] contribution of Rs.1000/- and odd [illegible] on the lands after they were [illegible].

4. Considering the long existence of [illegible] question (more than 100 years) [illegible] family who have contributed [illegible]

improvements of the lands it is nothing but fair not to disturb their long possession and enjoyment for reasons stated above.

5. It is on record that the temple management is good-- and does not call for the interference of Government

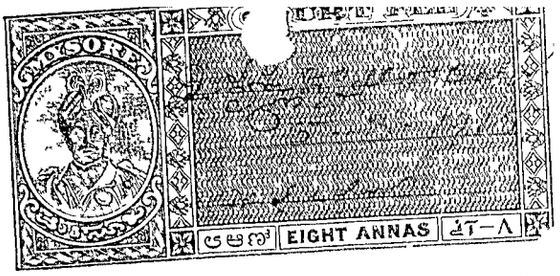
6. The Government may appoint Dharmadarsees to see to the worship of the ido regularly as per usual hitherto obtaining.

7. The appellant states that it is difficult to perform puje without the current year's produce being ordered to be given.

8. The appellant most humbly prays that the order of the Deputy Commissioner so far as it relates to the disposition of the lands and their current year's-- produce from the appellant's hand may be held in -- abeyance pending final orders of Government.

9. That the appellant is ready and willing to furnish such security as the Government may deem fit in the matter of delivering possession of the lands and their produce to the appellant.

Dated 18-3-1915.



The temple has valuable inam lands yielding produce of the value of Rs. 400 and more. At present the archak has the management of the temple and its endowments without being responsible to any body. It is nothing but fair that everything should be regulated and a scheme for management sanctioned.

The Pujari's prayer to make over the lands to him or his mother and to give the current year's produce cannot be granted.

His produce will be sold and arrangements made for the conduct of pooje according to the proposed scale of expenditure which is modified slightly as shown below

10 Khandies will not be enough for the Pujaris pay and Naivadya. He will be paid Rs 6/- in cash and given enough [illegible] one seer of rice per day for

Naivadya. This rice will after Naivadya be taken by the pujari.

The Dharmadarsi proposed may be appointed.

Dt. 24-2-1915. Sd/- A. Subramanya Iyer.

P.S. The present pujari should not be disturbed for the present.

Sir,

I have the honour to state that the Veerabhadraswami Temple at Hadya, Yedatore Taluk, is a muzrai institution endowed with dry and wet inam lands of the total extent of 9 Acres 18 Guntas assessed at Rs 48/- yielding an annual income estimated at more than Rs 400/-. The expenses of the temple have not hitherto been regulated and complaints were put in against the Pujari who was acting as though he was not responsible for the temple affairs. Accordingly the Amildar held a local enquiry when he visited the village and submitted through the Sub Division officer a scheme for the proper management of the temple and its

Q income, and with a scale of expenditure.

2. The Dharmadarsi recommended by him and the Sub Division officer as detailed

R in the enclosed statement may be appointed.

3. As regards the scale of expenditure, the Amildar recommends, 15 the Pujari fifteen Khandies of paddy for nityakalle and naivaidya (which would thus include the archak's remuneration) while the Sub Division officer considers that ten Khandies would suffice. I am of opinion that ten Khandies will not be enough for the Pujari's pay and naivaidya. He may be paid Rs 6/- in cash, per per month, and be given enough paddy so as to yield one Seer of rice per day for naivaidya (which would come to about five Khandies per year.)

The Scale of expenditure as thus amended is enclosed.

Sir,

With reference to your docket no: 204 muzrai 409-14 dated 23rd July 1915 calling for certain information with reference to this office letters Nos 476 and 503 of the 14th and the 24th may last respectively reporting on the affairs of the Venkatadrasvami temple at Hadya and on the allegation of the archak of the temple stating that his ancestors paid a contribution of Rs: 1000/- for the conversion of the dry lands of the temple into wet, I have the honor to state that the present holder of the

archakship, Syavamma the deceased pu-
jari's wife and the mother of the minor Archak
Veeramma deposed before the Amildar on 25th
October 1915 that there are no references with her
to show the payment of the village contribu-
tion. The people of the village have stated
(Vide Serial 57) that when the dry lands were
converted into wet, they did the needful to
render them fit for wet cultivation in the
interest of the temple and that the archak was
too poor to incur any expenses. So there
does not appear to be any truth in the allega-
tions of the petitioner.

2. The lands have been directed to be given
over on lease for 5 years at 57 candies of
paddy per year. The archak was receiving
from 15 to 30 candies only per year from
the persons to whom he had leased the
lands (vide the Amildar's report to the
Sub Division officer dated 16th Nov: 1915).
There is therefore no advantage in mak-
over the lands to the archak [illegible]

Moreover he is reported not to be working satisfactorily (Period 55).

The provision made in the scale of expenditure submitted with this office no: 503 of 24-5-1915 to pay him Rs: 6/- a month with an allowance of a seer of rice per day appears to answer all the requirements.

The correspondence ending with the Mysore Sub Division officer's no: 451/346 dated 25th November 1915 accompanies.
